

## Time Proven Ministry / New Location

At CrossCounsel, we have witnessed truly miraculous life transformations since 1998. Instead of a “try harder” religion, people genuinely find hope, purpose, lasting joy, freedom and authentic change.

We’re now located on the east side of Madison at 4690 Cottage Grove Rd. (directly left of a Subway). We’re easily accessible and planted close to several neighborhoods, shopping and restaurants.

While we partner with and have built great relationships with pastors and ministries all across the country, there are many churches in our neighborhood that could benefit from what God is doing at CCIM.

Our desire is to serve the Madison area, reach out to those in need and be an asset to local churches and ministries who believe that our only hope is through Jesus Christ.

Executive Director, Steve Freitag

## About Our Ministry

We are led by Rev. Steve Freitag. He has been recognized internationally for years as one of the premier leaders and trainers in the life-changing principles we use. People travel across the world to receive ministry. We highly value his expertise.

This expertise has been multiplied by CCIM’s training program. Thousands of hours and dollars have been spent in training and evaluating our facilitators.

We have been recognized internationally in the Theophostic\* Prayer Ministry Community for our efforts in providing expert training.

Our methods of assessing and evaluating the skill level of each facilitator have been implemented all over the globe with incredible results.

We value each and every person who walks through our doors looking for help. Take the first step...

*\*Theophostic comes from the Greek and simply means “God’s Light”.*

*“The right truth delivered in the wrong way won't change anyone.”*  
- Dwight Clough, author

This is foundational to our ministry.

Life altering lies are located in our experience. Because this is true, delivering truth to our heads won't erase the lies in our hearts.

This is why people who have good theology can remain addicted, anxious, depressed, angry or whatever. Deep down, we often believe terrible things about God, and, therefore, about ourselves.

This is why people can listen to good sermons week after week for years, read and memorize scripture, say good prayers and not change. This is why people can listen to a “right on” prophetic word and not change.

All of these things - inspiring sermons, scripture memorization and study, emphatic prayers, prophetic words - are necessary and have their place. But they are basically not, by themselves, transformational.

The only thing that really transforms us is a fresh personal encounter with the One who is Truth, Jesus Christ Himself. It is no coincidence that the verses *“you shall know the truth and the truth shall set you free”* and *“if the Son shall make you free, you shall be free indeed”* and located so close together. The truth that frees is the Truth Himself, Jesus Christ.

## “The Power of Ten”

### The Path to Exponential Growth

#### Phase One:

- The simple cost of keeping the doors of our new office is **\$1,500** monthly.
- The doors of our office are open approximately **1,500** hours a month.
- We need **150** giving units of **\$10** to cover our office costs per month.
- Your gift of **\$10** a month will sponsor one hour of CCIM's office operations. Monthly gifts of more than **\$10** are more than welcome!

#### Phases Two, Three, Four...

We see “The Power of Ten” as a way to achieve these goals.

- **Phase Two:** Paid Office Assistant
- **Phase Three:** Offsetting ministry costs to those unable to donate finances for ministry Time.
- **Phase Four:** Increasing salary for Executive Director position.
- **Future Phases:** We're open to the Lord's continued leading here.

We strongly encourage people to participate in our *auto withdrawal* program. It is an easy one-page document to fill out that will remain confidential. The *ACH Withdrawal* happens on either the 15<sup>th</sup> or 30<sup>th</sup> of the month. This streamlines our accounting and budgeting while also decreasing postage and newsletter costs. Monthly checks will always be accepted if that is your preference.
