

“Fascinated by Jesus”

(just a portion of the testimonies we've heard in March 2017)

In just the last couple of weeks, here are just a few examples of what people report happening in their lives. This is why we continue to be fascinated by Jesus at CrossCounsel.

“I cannot express in words the comfort I feel. I have slept better. I have eaten better. I have cried less and smiled more in the last few days than I have ever before. I feel real, I feel like a ‘real woman’.

“I am so humbled by HIS presence in my life and I am so happy to be on this road...the tissues, the tears, the ruined make up (LOL) is soooooooooo worth it.

“I am in awe of THE LORD’S work and I am so grateful that HE put CrossCounsel in the right place at the right time to do what you all do! I needed you and most of all I NEEDED HIM. I have been a Christian a long time and the last months I have actually FELT CONNECTED as a CHRISTIAN. Connected and CLEAN.”

“We were having a conflict with one of our older children. I recognized that I was being triggered and therefore unable to fully engage as a healthy dad. After facing my insecurities and inviting the Lord for his truth, I approached the situation again. This time my tone and vocabulary were different. This created opportunity for much better conversation and restoration of relationship. Allowing Jesus into those places in our hearts changes everything!”

“In that horrible memory, I was able to connect with my Heavenly Father. He took me in His arms as His own and explained to me that He Himself is able to make up for what I was lacking. In that place, I experienced freedom from confusion, need for control and to protect, helplessness, fear and the like. What a joy to be able to connect with God again! Physically, I'm much less numb too.. weird.”
